

1 THESS CHAPTER 4

BACKGROUND READING 1 THESS CH 1-5,

LESSON TEXT 1 THESS CHAPTER 4:13-4:18

Please review the following verses along with the lesson text. The lesson will revolve around the 2nd coming of Christ. The verses 13-18 end with the statement “**Therefore comfort one another with these words.**” We will try to understand why Paul made this statement in class. We will also with the help of other parts of the bible try to get as complete a picture of the last day/moment(s) that man will have in this world. Please come to class after studying and meditate with what you think will happen on that day and in what order it will happen.

Everyone that has been created will experience this “event”, it makes sense if possible, to know everything about it that we can because “**you also must be ready**” “**But of that day or hour no one knows, not even the angels in heaven, nor the Son, but the Father *alone*.**”

I greatly look forward to this class and the discussion we all have together on Christ Return.

This is not an exhausting list please fill free to add more to the class. (more on the back)
